

LONERGAN CUES

Bespoke Cue Price Guide as of April 2026

Each cue is graded according to the quality, appearance and playing characteristics of the timber selected.

Standard Grade cues are perfectly good playing cues, made from sound, well-selected timber, but the shaft may not have the straightest or most even grain pattern. They may show natural features such as knots, colour variation or less uniform chevrons.

Premium Grade cues are made from more selectively chosen timber, with straighter grain, a more even chevron pattern, improved colour consistency and fewer natural imperfections. These cues offer superior playing characteristics and a more refined appearance.

Pro Grade cues represent the very best timber available, both for the shaft and any exotic timbers used in decorative splicing. These are the finest cues produced, individually numbered and supplied with a certificate of authenticity. On average, only around 5% of cues made each year would meet the Pro Grade standard.

Splice option	Standard Grade	Premium Grade	Pro Grade
Plain butt	£550	£700	From £995
1 front splice	£600	£750	P.O.A
4 splices	£700	£850	P.O.A
5 splices	£750	£900	P.O.A
8 splices	£850	£1,000	P.O.A

Some premium, rare or highly figured timbers may incur an additional charge depending on availability, cost and suitability. Any additional cost will be discussed and confirmed before an order is accepted.

All prices include a handmade cue built to the agreed specification, with either an ash or maple shaft, selected butt timber, ferrule, tip and final finish. All cues are available as one-piece, centre split or 3/4 jointed. Pearwood shafts may be available depending on stock, please email or call to check availability and price.

A £200 non-refundable deposit is required to reserve a build slot. This deposit is deducted from the final balance. The remaining balance is due on completion before the cue is shipped or collected. Prices shown are for the cue only; extensions and shipping are chargeable separately.
